

THE IDAHO
CATHOLIC
Womens
CONFERENCE

We are filled with excitement and anticipation to welcome you to what promises to be another blessed Idaho Catholic Women's Conference.

While the enthusiasm is building, we are keenly aware of health and safety concerns tied to the spread of the COVID-19 Delta variant and want to assure you that Boise Centre has achieved the GBAC STAR™ facility accreditation. This accreditation means they have established stringent protocols for cleaning, disinfection, and infectious disease prevention program to minimize risks associated with infectious agents like the novel coronavirus. They are following guidance from CDC, GBAC and local health authorities. They have done the following that prioritizes safety and creates a productive environment at these events.

- Air Circulation
- Enhanced Cleaning
- Meeting rooms to be set at 75% capacity to allow spacing
- Staff will be masked. Masking optional for attendees and masks are available.
- Hand sanitizer stations will be placed in all public spaces. Participants are encouraged to regularly wash and disinfect their hands.

In addition we will provide

- Touch less registration
- Access to the conference recordings to all registered. So if you are feeling unwell, please stay home. Be assured you will still be able to hear the conference talks.

We genuinely appreciate the support, participation and feedback of the community and look forward to seeing you in Boise on September 11th.

Sincerely,

Carol Brown
Director of Marketing & Community Relations
